MIPOLAM ACCORD
▸ High performance homogeneous flooring suitable for heavy duty traffic areas, available in sheet format.

▸ **Group T** wear rating compliant (very high resistance to traffic).

▸ Semi-directional polychrome design, available in a large choice of 29 contemporary colours.

▸ Modern surface with a matt finish.

▸ Evercare™ surface treatment: no wax for life.

▸ Bacteriostatic and fungistatic for better hygiene.

▸ 100% recyclable.

① evercare™ treatment
② Densely calendered compacted surface

TVOC <10 μg/m³ after 28 days

evercare™ TECHNOLOGY

Patented Gerflor Technology
▸ Obtained by UV laser cross-linking

High Performance
▸ Durability & Resistance

Easy maintenance
▸ No wax for life

Low Environmental Impact
▸ Saves water and detergent

GERFLOR TREATED evercare™   **Extreme stain resistance** (Eosin test)

INSTALLATION
Laying is the responsibility of the installer. Installation should be made in accordance with installation guidelines supplied and regularly updated by Gerflor's Technical Department. Installation should be carried out in accordance with local standards. Subfloor to be smooth, hard, clean and dry prior to laying. Where applicable the subfloor must incorporate an effective Damp Proof Membrane. The material must be allowed to acclimatise 24 hours prior to installation in a room temperature of between 18-24°C. All seams must be heat welded using Gerflor matching weld rod.

MAINTENANCE
No emulsion is required. Maintenance should be carried out regularly to retain the appearance and durability of the floor. The floorcovering should be maintained with regular sweeping and damp mopping using a neutral cleanser, more intense cleaning should be carried out using a fine spray cleaning pad under a floor machine, or for larger areas combined machine cleaning.

⚠ Rubber leaves indelible stains on vinyl floorings: do not use mats with rubber backing and replace tubular furniture feet with those made of PVC or polyamide.

Further installation and maintenance instructions are available from Gerflor.
